Holloway's Gintment and Pills ... Quinsy or inflammation of the throat is very prevalent during the Spring and Fall of the year. Thousands of persons have immediate recourse to these medicines on the first symptoms of attack, and thus not only save time but even dispense with the advice or attendance of a physician. Colds produced by the rapid and frequent changes of the atmosphere during this sesson, are speedily cured by the pills. These remedies fortify the body against the inclemencies of the winter-

THE HAIR .- People have for centucies been afflicted with bald heads, and the only remedy heretofore known has been those abominable wigs .-By a recent discovery of Professor Wood, these articles are being fast dispensed with; but a great many persons still patronize them because they have been so often imposed upon by Hair Tonios of different kinds. To all such persons we earnestly make the request that they will try once ngain, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been

Sept. 18-1 md&w Judson's Mountain Herb Pills .- How strange and wonderful it often seems to us that a medicine composed of simple mountain herbs and roots, should so certainly search out and cure disease. How surprising that the Indians should know and preserve so long and well a secret that has escaped the search of the greatest physicians the world has ever seen. True, the ancient inhabitants of Mexico were a strange race, found by the Spaulards living in large cities, and, allowing for their strange enstoms and religion, as well civilized as their conquerors. In the words of a writer of some celebrity, "they have perished from the earth, their cities are gigantic piles of rains, their Kings and Princes so mighty in their lives, are forgotten; their ruins and their medicines alone are left." The united testimony of all Intelligent persons is, that JUDSON'S MOUNTAIN HERB PILLS are the most successful medicine in the

world in curing disease. Sold by all medicine dealers.

These Pills not only purify the blood, but regenerate all the secretions of the body. They are
